HELLO FRIENDS...

by *Tim Horne, Owner*

As we wrap up our very first WINTER season at Star City Golf Club, I want to start with a simple, heartfelt THANK YOU! When we opened our doors, we hoped the community would enjoy having a place to play year-round. What we didn't expect—at least not this quickly—was the overwhelming support, the packed tee sheets, and the friendships forming right in front of us.

Spring Is Coming... and We're Ready! We know the warmer months bring real greens, sunshine, and long evenings on the course. That's part of the magic of golf, but Spring also gives us a chance to shift gears and offer new ways to keep your game sharp. We've put together a lineup of Leagues and Tournaments that fit busy schedules and keep the fun rolling.

Star City Golf Club has exceeded every expectation I had. We continue to receive humbling feedback about the facility, the technology, and—most meaningful to me—the staff. Hearing how welcomed and supported people feels when they walk in means more than I can express. Thank you, Team SCGC!!

Your support has helped us build something truly special. We're excited for Spring, optimistic about Summer, and grateful for every person who has walked through our doors. Whether you're sharpening your game, joining a league, or just stopping by for a fun night out, we can't wait to see you soon.

Here's to a new season, new energy, and many more great swings.

Cheers!

TALKING ABOUT PRACTICE

by Kale Doolan, Clubhouse Manager

At Star City Golf Club, practice is more than just hitting balls – it’s about improving with purpose. Our state-of-the-art simulator technology gives you the same data used by tour professionals, allowing you to see exactly what your swing is doing and how to make it better. With instant feedback on ball speed, launch angle, spin rates, carry distance, and shot dispersion, you can identify patterns in your game and make adjustments that translate directly to the golf course. Whether you’re dialing in your wedge distances, tightening your dispersion with the driver, or building a consistent swing, our software turns every practice session into a measurable step toward becoming a better golfer. At Star City Golf Club, you don’t just practice – **you practice with purpose.**
